About Us

Aatmaja Foundation is a non-profit organization, registered as a charitable trust under the Bombay Public Trust Act 1950 in Pune (Reg. No. E-7109). We began our journey in March 2015, starting small with supporting 20 girls, but in the last several years, we have made significant progress, currently, we support two hundred eighty such needy girls. **The word Aatmaja means “OUR DAUGHTER”. We would like to educate these girls as our daughters.**

Values

- **P – Perseverance**
- **E – Excellence**
- **A – Articulation**
- **R – Respect**
- **L – Learnability**

Vision

Enhancing Human capital of India by educating from disadvantaged background.

Mission

- At Aatmaja Foundation we are committed to enabling bright young girls from disadvantaged background to become successful professionals.
- We will strive to be a catalyst by helping young girls grow into empowered professionals with strong values.
- We shall create a vibrant network of Aatmajas who will help each other in their future endeavors.

Our Programs

Udaan : Nurturing Dreams

We provide merit and need-based scholarship to girl students from disadvantaged backgrounds studying in 10th standard. Deserving girls are selected through a well-defined selection criteria and will be supported for 7-8 years until they become independent professionals. Every year we add 30 to 40 deserving girls to this programme.

Aasha Program: Creating livelihood and Self-sustenance for girls

We started this program in 2021 to Create livelihood and self-sustenance for girls by suggesting alternate career streams with an emphasis on skill development for better employability. It is a different segment of girls who need to be financially independent early and should be employable for a shorter duration after financial assistance. .

Success Stories

Dhanashri Gaikwad
Revenue Officer
2019 - 2024

I began my journey at SSC & HSC from Mahatma Gandhi Vidyalaya Karmala. By scoring good marks in CET, I got admission to Mahatma Phule College of Agriculture, Pune. I come from an agricultural background, and my parents are farmers. Since my childhood, I have experienced difficulties faced by farmers. Hence, I decided to study agriculture. However, shifting to Pune was difficult for me as my parents could not afford the expenses. There is a saying "Where there is a will there is a way. I came to know about the Aatmaja foundation through my classmate who was also a beneficiary of the foundation. I approached them, underwent a selection process, and got selected for a scholarship in 2019. It benefited me immensely. Aatmaja Foundation not only took care of my education and other expenses but also helped me to develop my personality through various interventions and training programs. I will always be thankful to the foundation that played a vital role in my success. After Degree I appeared for Talati Exams, I got selected. Now I am working as Talati Officer in my taluka. I will do my best to help farmers and local villagers to be independent and educate their children.

Myself Sanskruti Sachin Narlawar. I have been studying Computer engineering at PCCOER, Ravet. When I was in first year, my father passed away while fighting with corona. He was working as art teacher at high school. My father was the only earning hand for our entire family and he was bearing all me and my younger brother's educational expenses. But due to this death, I was facing difficulties in paying further fees. His death has caused instability in our financial conditions and other aspects. I applied for my educational loan but it was rejected as my father was nominee. My family was unable to afford all the educational expenditure, as my mother is a housewife and my father's pension was not sufficient. As my younger brother too has educational expenses with me. My mother has faced a lot of difficulties in managing all expenses in future. Then our college HOD Tushar Gaikwad sir referred me about scholarship by Aatmaja Foundation. I am grateful to be supported by Aatmaja Foundation. I was in my First year when I met Priya Ma'am. I was dealing with a lot of challenges, but the Aatmaja team helped me to get over of this. Their support has not only helped me financially but also to become confident and career oriented. There are a lot of girls involved in the foundation, where we get to help each other. The Aatmaja team is incredibly kind, understanding, and helpful. I want to express my gratitude to Priti Ma'am and Priya Ma'am, who have always supported and encouraged me. I am thankful for making me part of this organization. Now I have been selected for an analyst role at Capgemini in campus placement. I will join after my final exams. It was a great journey throughout my graduation with Aatmaja foundation.

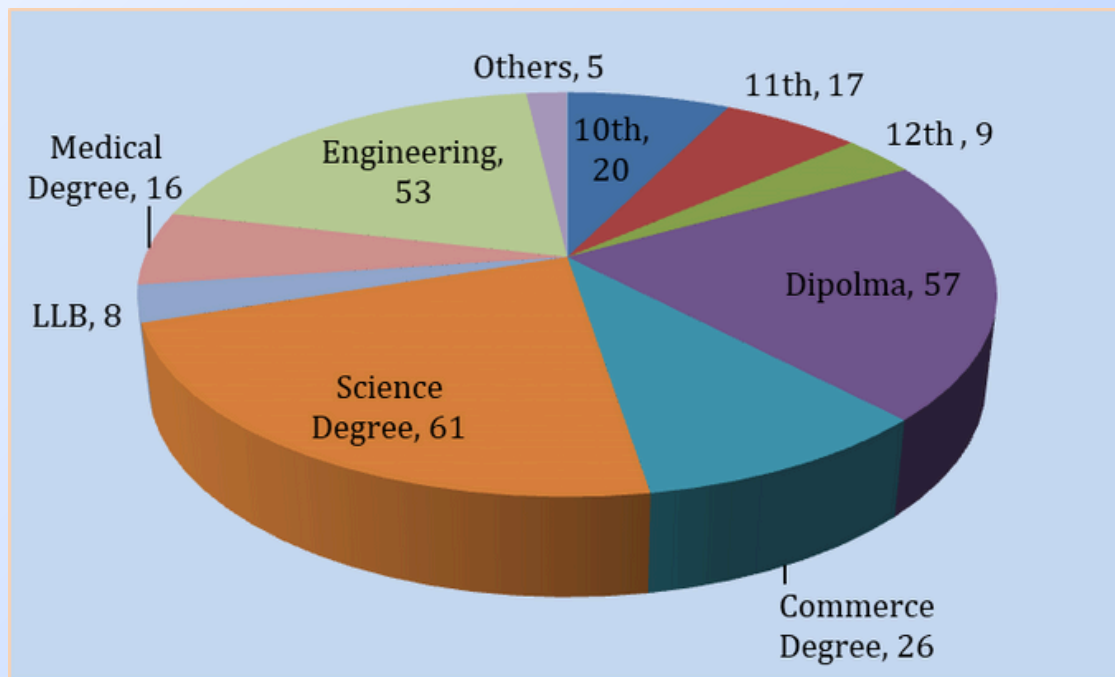

Sanskruti Narlawar
Capgemini
2019 - 2024

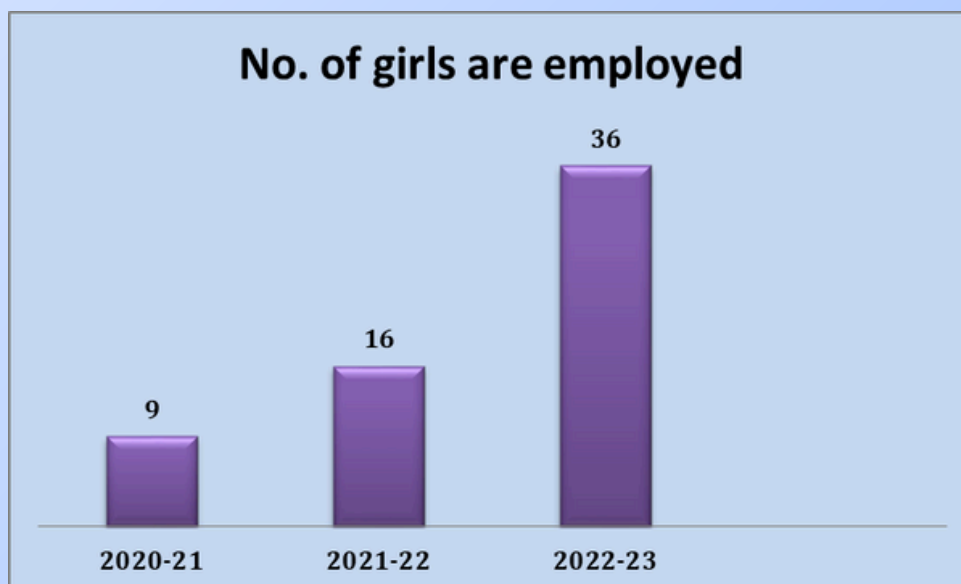

Achievements

- Six Aatmajas with engineering degrees were placed in leading IT companies
- Eight Aatmajas who completed their graduation and gain fully employed
- Two Aatmajas were selected as a Village Revenue Officer (Talathi)
- Excellent academic results of all Aatmajas
- Selected Forty new girls for receiving Aatmajas Scholarship.
- Partnered with Four new schools for recruitment
- Added CSR partners – Velotio, Bank of India and Shiksha daan

The chart below shows number of Aatmajas pursuing diverse careers

Events

All Hands Meet

The day 21st Jan 2024 was filled with motivating speeches by Alumni and donors, and training programs on Leadership, and communication skills by professional trainers.

Highlights of the Event:

- Donor's Speech:** The event was graced by a powerful speech from our esteemed donor, Ashish Deshmukh. His words, brimming with a passion for education and a commitment to making a difference, deeply moved the audience. His generosity, a testament to the transformative impact individuals can have, was met with heartfelt gratitude. We also took the opportunity to honor the exceptional contributions of all our donors.
- Guest speaker:** The event was privileged to host retired Brigadier Raghunath Vishnu Jathar, a veteran of the 1962 war with China, as our distinguished guest speaker. He shared invaluable insights from his illustrious military career, focusing on the importance of leadership and courage in adversity. His words sparked a lively Q&A session, offering students a unique and engaging opportunity to interact directly with Brigadier Jathar for further guidance and advice.
- Alumni Success Stories:** Our Alumni Aatmajas were overjoyed to share their success stories, attributing their achievements to the financial and moral support they received from our organization. Overcoming challenges and realizing their dreams, their journeys serve as a testament to the transformative power of education. They expressed heartfelt gratitude to the foundation and donors for shaping their lives.
- Session on Communication Topic:** Mr. Tushar Chothani, a professional soft skill trainer, conducted a session on communication styles and building emotional intelligence through six master keys. Empowering students with effective communication skills is essential for both academic and professional success in today's global landscape. Communication is the cornerstone of success.
- Session on Leadership:** Ms. Shivani Talesra, founder of Eelan Coaching and Consulting Services, conducted a session empowering girls to build confidence and self-awareness in leadership. Recognizing strengths, weaknesses, and personal leadership styles is essential for effective leadership and personal growth.

Training conducted

Watching our Aatmajas learn and thrive through interactions with people from the Industry is always a pleasure. Education opens up a world of opportunities; it helps you explore the limitless, untapped potential in each person. We arranged a few sessions for all OUR AATMAJAS to enhance their soft skill and motivate them.

1) How to crack Interviews/Industry expectations and CV writing by Vanderlande Industries team Mr. Milind Jadhav- Group Manager (HR)Mr. Abhijeet Nair - Talent Executive, Mr. Vinish Acharya - UX specialist

The session provided comprehensive interview preparation and insights into industry expectations, covering resume crafting, soft skills development, and real-world scenarios. Aatmajas discovered that preparation extends beyond interviews to the actual workplace, gaining knowledge on CV writing and the importance of practice and feedback to feel interview-ready.

2) Seeking Success in the Corporate Sector –Ms. Swati Ketkar a Women Entrepreneur.

In today's fast-paced corporate world, honing the right skills can be the key to unlocking your full potential whether you are a seasoned professional or just starting your career journey. Aatmajas learned some essential skills they need to develop in order to enter corporate sector. They got to learn about Effective communication, Leadership abilities, Time Management, Emotional Intelligence, Problem-Solving, and financial literacy.

3) Careers in Life Science - Mr. Hrishikesh Dhande Region Head, Academic Interface Program TCS Pune & Nagpur

Aatmajas studying life science and other science courses got an opportunity to learn about careers and job opportunities in the IT sector through a training program conducted by Mr. Hrishikesh Dhande

4) Goal Setting and Coping with Emotions - Ms. Bhuvaneshwari Shurpali - A professional soft skill trainer and Mentor.

Aatmajas learned about open communication, emotional regulation, setting realistic goals, patience, and seeking professional help when needed. Equipping teenagers with these skills is essential for coping with everyday stress and fostering personal growth.

5) Cloud Computing - Mr. Nilesh Wadke Director of Enterprise & Cloud Architecture

Final year Engineering Aatmajas attended a session on the topic of Cloud Computing. Girls were able to listen to the trends and tools applicable in the IT sector and also learned about the importance of AIDS, AIML & Cloud computing in the future.

Spoken English Class

One of the biggest challenges our Aatmajas face is with the English language. Most of them study in vernacular medium and find it difficult to converse in English confidently. To build their confidence in English as a medium, we have been arranging spoken English training for Our Aatmajas every year. This program runs for 6-8 weeks, each session is a combination of discussions, Vocabulary building, presentations, quizzes, and fun activity sessions among themselves under the guidance of a professional trainer, Mrs. Mallika Iyer. These sessions help them tremendously to be confident about themselves and help them converse better.

Company Visits

Visiting a corporate office is always a learning opportunity for our Aatmajas. Company visits helps Aatmajas bridge the gap between classroom learning and real-world application. We believe that first-hand experience in a corporate setting can significantly enhance our students' understanding of the concepts they learn in their academic programs.

1) eClerx Company visit – November 2023

Throughout their journey, the sponsored students have shown tremendous dedication and a strong desire to excel academically. eClerx's support has not only alleviated their financial burden but has also boosted their morale, fostering a sense of belonging and motivating them to strive for excellence. Thank you so much for hosting us, Aatmajas enjoyed the fun activities and learning sessions like Goal setting, Time management, Communication skills, and public speaking.

2) SG Analytics Company visit – September 2023

Our Aatmajas had an exciting and enlightening visit to S G Analytics. Beyond learning about the company's operations, they attended sessions on AI applications and enjoyed an interactive discussion with SGA's senior women leaders about their career journeys. Overall, it was a fantastic learning experience for our Aatmajas.

3) Infosys Company visit – July 2023

Some of our Aatmajas attended Salesforce Day at Infosys, Pune campus, seizing the learning opportunity to its fullest. They participated in tech sessions, panel discussions, interacted with Infosys leadership, and attended the Springboard orientation. As a gift, the Salesforce team presented them with books by Mrs. Sudha Murthy.

Recruitment – Test & Interview

As soon as the mid-term exam of the schools is over, our selection process of students starts for next year's scholarship students. Aatmaja Foundation provides merit and need-based scholarships to female students from disadvantaged backgrounds. Deserving girls are selected through well-defined selection criteria and are supported until they become financially independent professionals. We look forward to meeting young and enthusiastic female students as part of this process.

Career Counseling & Aim Test

Every year, our Aatmajas from 10th grade go through a career counseling test, AIM (Aptitude & Intelligence Measurement Test) developed by Jnana Prabhodini, Pune. This is a well-known method for measuring students' abilities & Career orientation. The test also provides insight into the individual's inclination toward possible career choices. A Guidance session then is conducted by our trained counsellor Priya Gurav which helps the girls choose the most suitable career stream for their higher education.

Induction Program & Certificate Distribution

Aatmaja Foundation organizes every year an induction program for students and parents to introduce them to the organization's objectives, values, and initiatives. The attendees participate in interactive sessions and presentations to gain knowledge about our organization's various initiatives, including education. The selected girls are awarded certificates and badges who have been granted scholarships. This gesture also reinforces the organization's commitment to supporting the educational aspirations of young girls, empowering them to pursue their dreams and create a brighter future for themselves and their communities.

Laptop/Springboard tab distribution

Corporate Social Responsibility plays a vital role in supporting communities and fostering education. In this instance, a generous donor contributed laptops and springboard tabs to an Aatmaja Foundation dedicated to advancing education. This donation not only provides essential resources but also empowers students and educators with the tools necessary for learning and growth.

CSR team visits

Our Aatmajas are given the opportunity to meet with our CSR Team and donors. During these meetings, Aatmajas learn how to interact with the team. These meetings aim to bridge the gap between aspiration and achievement by providing a platform for students to engage with benefactors who have made significant contributions to various fields. The meetings are designed to be interactive, where students are encouraged to ask questions and seek guidance from the team. The exchange is highly insightful as students gain invaluable knowledge from those who have navigated the way to success. The meet up proves to be a rewarding experience for our CSR team, donors and students.

Vanderlande team visit

Ms. Fieke De Haan, Netherland, Martin Maasland and Ms. Rashmi Chetan from Vanderlande Kharadi visited the Foundation office and interacted with Aatmajas. They shared the work of Vanderlande related to sustainability and their life journey.

Bank of India team visit

A team from the Bank of India visited our foundation, where Commerce field girls engaged them with questions about the bank's recruitment process and further study options. The girls were interested in understanding the careers in the banking sector. The visit provided valuable insights for the girls as they explored career opportunities in banking.

R System team visit

Our Aatmajas had the opportunity to meet the R systems team. It was an interactive element wherein students were encouraged to engage with the team, pose questions, and seek guidance. The evolved exchange was inspirational, as students obtained invaluable insights from those who had navigated the way to success.

Bhavitha Foundation team visit

Mrs. Girija Ram Director of Bhavitha Foundation visited the Aatmaja office. We discussed the progress of the students who are supported by the Bhavitha Foundation, what work was done by the foundation this year, training programs were conducted, and how they will help the Aatmajas. Girija ma'am gave us some tips about new training programs that we can use for our Aatmajas.

ASCENT team visit

ASCENT is an Independent Global Fund Administrator dedicated to providing customized solutions to a wide range of asset managers, capital markets, family offices, and investors. ASCENT volunteers visited the Aatmaja Foundation. They discussed with Aatmajas about different careers of commerce, how to apply for CA, CMA, CS, Short certificate courses, and job opportunities. Also, they had some fun games for girls. Girls enjoyed Indoor games.

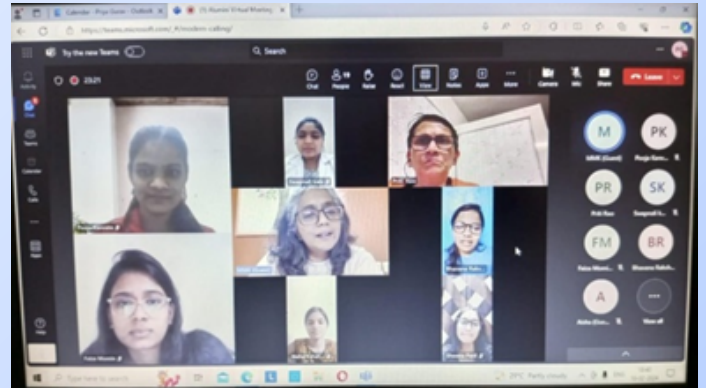

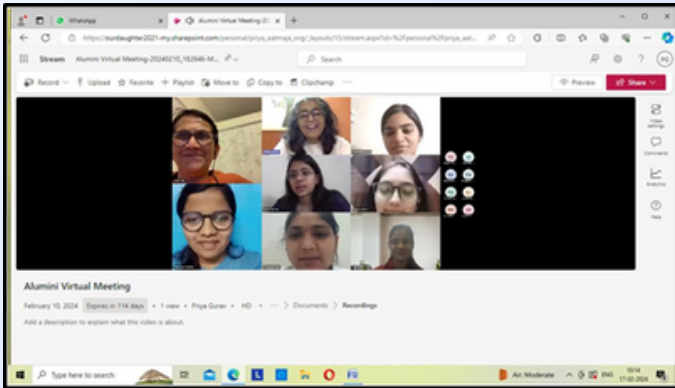

Virtual Alumni Meet

While the world celebrated International Day of Women and Girls in Science on the 11th of February, the Aatmaja team was patting ourselves on the back. We had our first Alumni meeting on the 10th of Feb.

Everything we heard on that call reinforced our belief in our mission to make underprivileged girls empowered and financially independent professionals.

Our Aatmajas (alumni now) are working in world-class organizations, aspiring to do more, and making us immensely proud of their achievements. We had doctors, engineering professionals, CAs, entrepreneurs, government employees, and aspiring civil servants on that call! When one of them said happily “My life has changed and my family’s too”, it was the only ratification we needed to continue on this path.

Vidyarthi Sahayyak Samiti

To be partner with Vidyarthi Sahayyak Samiti to support students from rural Maharashtra areas. Vidyarthi Sahayyak Samiti (SAMITI) is a non-government charitable organization set up in 1955 in Pune (Maharashtra state / India) by Dr. Achyutrao Apte and his colleagues. It provides lodging, and boarding facilities at a nominal cost to students (boys and girls) from economically weaker sections of society coming to Pune to pursue higher education. We support 58 girls from Rural Maharashtra staying in Samiti Hostel, and pursuing careers in various fields.

Our CSR Partners

- **eClerx** - eClerx provides critical business operations services to over fifty global Fortune 500 clients, including several of the world's leading companies across financial services, cable and telecommunications, retail, fashion, media & entertainment, manufacturing, travel, and high-tech.
- **Vanderlande** - Vanderlande is a market-leading, global partner for future-proof logistic process automation in the warehousing, airports, and parcel sectors. Its extensive portfolio of integrated solutions – innovative systems, intelligent software, and life-cycle services – results in the realization of fast, reliable, and efficient automation technology
- **SG Analytics** - The data analytics ecosystem at SG Analytics' is built upon four strong pillars of data and analytics strategy and insights. Each pillar is built upon the foundation of strong data analytics solutions and MLOps support, ensuring the maintenance of models deployed and support.
- **Velotio Technologies Pvt. Ltd** - Velotio specializes in helping technology companies build massive engineering teams that become an extension of your in-house team. We have worked with 90+ happy customers spread across varied industries including enterprise SaaS, Real Estate, FinTech, Infrastructure & Security, and many others.
- **Sparsh Foundation** - Sparsh Foundation to support the underprivileged sections of society. A not-for-profit initiative aimed at fulfilling the social responsibility of Infosys Ltd., the Sparsh Foundation creates opportunities and strives towards a more equitable society.
- **Shiksha Daan Foundation** - Shiksha Daan provides scholarships to students from the underprivileged sections after completing their 10th standard. We believe funding students closer to employment helps BPL and poor families improve their economic status. Also, research says the largest dropout rate is after the 10th std.
- **Bhavita Foundation** - Bhavitha Foundation is a charitable organization set up as a Company in the year 2009. The Foundation mainly provides monetary assistance to other charitable organizations which are engaged in providing relief to the poor, education to girl child, education to needy and underprivileged students, food assistance to needy, assistance to farmers and their families, etc."
- **Bank of India** - Bank of India aims to provide superior, proactive banking services to niche markets globally while providing cost-effective and responsive services

After that, she worked at Peepal Foundation and CMCA organization for adolescent life skills education.

Feedback

Feedback from Alumni Aatmajas

Dear Aatmaja Foundation,

I wanted to express my heartfelt gratitude for the immense support and guidance you've provided me over the past decade. Connecting with Aatmaja Foundation since my 9th standard has been a transformative journey, akin to finding a second home. Your assistance has extended beyond financial aid; the invaluable career guidance and comprehensive personality development programs have shaped me profoundly.

I must mention the unwavering support and mentorship of Priti mam, Priya mam, and throughout my journey. Their guidance has been truly unforgettable. I feel incredibly privileged to have been a part of the Aatmaja family. I will carry this gratitude with me for the rest of my life, and I am committed to remaining connected to the foundation in any way possible.

I firmly believe that whatever I have achieved today is largely due to the support of Aatmaja Foundation and my family. As we celebrate our 10-year bond, I want to extend a heartfelt cheer to the Aatmaja family. Here's to many more years of collaboration, growth, and making a difference in the lives of others.

With deepest appreciation,
Shweta Patil

Shweta Patil

Junior bi engineer
S G Analytics, Kharadi

Hello, Aatmaja Foundation

First of all, I would like to thank the Aatmaja Foundation for giving me this opportunity and helping me to choose a better career. I joined the Aatmaja Foundation in the 9th standard and a perfect journey started from there. Apart from studies, Career counseling, and skill development and grooming sessions that were conducted, I got to know what I am capable of and what I can do better in.

I am grateful to Preeti's mam, she helped me and many girls like me. Wherever we are today is because of the Aatmaja Foundation. I had stage fear and could not speak confidently in front of people, but there were personal development sessions and activities that made me confident. I would also like to thank Priya mam, she supported me throughout my journey.

Just like I got support from the Aatmaja Foundation. now I consider myself that much more capable so I can help someone else as well for their career growth. again I am thankful to the whole Aatmaja team.

Regards,
Samina Tete

Trainer Feedback

About , Dr.Tushar Chotani

Tushar is a trainer, author, and entrepreneur. He is on a mission to inspire 1 million individuals to take action believe in their Dreams and Celebrate life. He has done a Ph.D. in Employability Skills and, an MBA in Marketing & Finance. The skill-building trainer is a beacon of Empowerment. Whether in a classroom, workshops, or online platform, Mr.Tushar creates a dynamic and engaging learning environment. Where curiosity is sparked, Ideas are exchanged and skill is honed.

Dear Aatmaja Foundation Team,

It is an honor to work with your underprivileged girls on communication skills.

Witnessing their growth and determination was inspiring. Despite initial apprehension, they engaged eagerly, embracing concepts like active listening and public speaking. Their confidence blossomed, evident in their assertiveness and adaptability. The Aatmaja Foundation's commitment to empowering these young women is commendable. Continuing support will ensure their ongoing success in education and employment. Thank you for the opportunity to contribute to such a meaningful cause. I look forward to future collaborations.

Warm regards,
Tushar

About Mallika

Aatmaja Foundation is dedicated to supporting girls from underprivileged backgrounds who struggle with English fluency by offering spoken English classes. Mallika Vaidyanathan has been leading these sessions for the past seven years. As a freelancer, she brings a wealth of expertise to the table, particularly in soft skills and effective communication, both written and verbal. Mallika's exceptional interpersonal abilities play a crucial role in facilitating the girls' learning process and enhancing their English-speaking capabilities. Her commitment to empowering these young girls through language skills is commendable and greatly contributes to their personal and professional development.

They say the Gift of education is the most valuable and I firmly believe that when you educate a girl you educate the whole family. The purpose of Aatmaja "Enabling our daughters to be independent professionals" is very inspiring and close to my heart. If you want to see passion, there are hardly any better examples than Priti Rao ma'am and her dedicated team of Priya Gurav and others. They work effectively as a bridge between volunteers like me and needy NGOs and add value to both sides. I am highly impressed by their sharp focus on deliverables, lots and lots of patience, tenacity perseverance, and self-motivation without compromising on the quality of work/results which is incredible. The girls here have a reason to look forward to a better tomorrow.

I'm honored to have had an opportunity to be of service to this organization for the last 7years in a very small way and shall try to remain so. It will always be a great pleasure and privilege to meet some passionate and genuine people and I hope that some of that passion has rubbed off me. "

Warm Regards,
Mallika

Donor Feedback

CA Sujata Bhogawat
Avant Edge Business
Consulting Pvt. Ltd

Priti, I watched the Hindi movie "12th Fail" a few days ago and it was eye-opening to see how students from rural areas struggle to cope with their education when they move to a large city. Though we know it's not easy for them, the movie brought home the point... So many things we city-dwelling people take for granted are challenging for these students. I just wanted to drop you a message to say that it's so heartening that Aatmaja and you are helping these students.

Dreams can be achieved through hard work and confidence. The 12th Fail movie shows that failure is not the end, but a step towards success, providing valuable lessons and fostering determination.

Thank you Sujata for sharing this message, it surely is motivating

Truly thrilled to have interacted with Aatmajas at the Aatmaja Foundation. These young girls have excelled in the subjects they study, have a genuine spark to learn and a firm belief that through higher education they will be able to provide themselves and those that depend on them a better future. We at R Systems and Velotio Technologies are proud to be associated with the cause and look forward to not just the sponsorship, but also contributing through mentoring and opportunity creation for such bright talents

Nitesh Bansal
CEO & MD R Systems

Get Involved

Partnership Proposal

1) What do we need from you: -

- 80% of the cost of higher education and enablement for 10 girls from your CSR budget.

2) What would be our responsibility :-

- 20% of the cost of higher education and enablement of girls thru our funds
- Recruitment of girls thru strict process.
- Enablement thru workshops, various other interventions.
- Review progress and provide support and advice.
- Provide you with detailed reports of utilization and progress.

Individual Support

- Donate to Aatmaja Foundation directly to whatever amount you choose.

Volunteer with us

- Mentor few selected girls at your convenience.
- Spread word about the cause to like-minded people in your family, friends, and network.
- Conduct a relevant workshop.
- Help us during interview and selection process.
- Connect with more schools where girls need help.
- Arrange for donated computers/laptops for girls to use.
